

Who should attend?

Nurses working in cardiology, cardiovascular or vascular surgery interested in preparing for the 2010 CNA CV Nursing certification exam to be written April 17, 2010 will find this to be a comprehensive review of the exam content.

Nurses who already have CV or Critical Care Nursing certification and are seeking recertification activities. The review program provides 22 hours of learning activity. Certificates of attendance available.

Nurses working in a cardiology, cardiovascular or vascular units will find this program to be an outstanding opportunity to review and update your knowledge of aspects of care.

Exam information is available on CNA's website: www.cna-aiic.ca

How do I register?

Send your email to: velta.vikmanis@uhn.on.ca indicating the name of the person registering for the program and home hospital.

Program Cost:

\$150.00 for the 3-day course or \$60.00 per day (*based on early registration and payment received by Mon Jan 25 2010*)

Registration and payment received after Jan 25 2010 will cost \$210 for the 3-day program or \$70.00 per day.

(includes arrival coffee, morning and afternoon refreshments and printed materials)

Lunch is on your own. Make your cheque payable to 'University Health Network' and send to Velta Vikmanis, EN1-812, Toronto General Hospital, 200 Elizabeth Street, Toronto, M5G 2C4.

You will receive an email confirming your registration and payment.

Seating is limited, register early to avoid disappointment.

For more information about CNA's certification program visit their web site at www.cna-aiic.ca
