In-Home Office Solution

Great new protection for your small business!

You will be pleased to hear that TD Insurance Meloche Monnex will soon offer a product specifically designed to cover the needs of the majority of in-home business owners: the new **In-Home Office Solution!**

It includes:

- A \$25,000 coverage limit for business property lost or damaged on or off premises, including \$10,000 for laptops
- Incidental liability protection (e.g. a business client slips and is injured in the insured premises)
- Up to \$5,000 to help keep the business going after a loss has occurred

This new coverage option will be available **July 28**.

And remember that if you need additional coverage, we still offer the more generous Micro-Enterprise Solution.

It's worth a call!
